

## PLAY MONSTER GRIP K product description

### PLAY MONSTER GRIP K – get bigger

Coming from the famous PLAY family, the **PLAY MONSTER GRIP K** was already **born with the best gens**. Being **PRO K's big brother**, the MONSTER K has naturally the same **perfect shape** and **balance characteristics** of his small brother.

But being way **bigger and heavier** than the standard size competition models, you will realize that the MONSTER GRIP K is **easier to control** and **boasts a reliable and consistent playing feel**.

On top the **MONSTER GRIP K** has an **unmatched GRIP** straight out of the Box, by the use of Kendama Europe's self developed fresh **sticky paint style**.

For **performing in front of big crowds** or if you just want to **get heavy**, the MONSTER K will be **your first choice**.

### Facts:

- Perfect paint properties by the use of Kendama Europe's self developed, fresh sticky paint style.
- Made from sustainable European beech wood from Austria.
- Each package comes with an illustrated Manuel and an extra string.
- Premium brand by Europe's first Kendama Company - Kendama Europe.
